FURNITURE & INTERIORS

Guest rooms & suites

VG-PJ-ROOM

Guest-room furniture project

Coordinate the headboard, bedside furniture, desk and storage around your room plan.

Project enquiries: send the floor plan, furniture schedule, quantities and finish references. Beds, mattresses, textiles and other pictured items are scoped separately.

Project photographs; these are room references, not a supplied set or individual bed models.

DECORATIVE SURFACE FILMS

Wood-effect surface films / 1 of 3

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-001-001 / Wood-effect film / finish 01**

Finish family: wood-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-001-002 / Wood-effect film / finish 02**

Finish family: wood-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-001-003 / Wood-effect film / finish 03**

Finish family: wood-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

Wood-effect surface films / 2 of 3

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-001-004 / Wood-effect film / finish 04**

Finish family: wood-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-001-005 / Wood-effect film / finish 05**

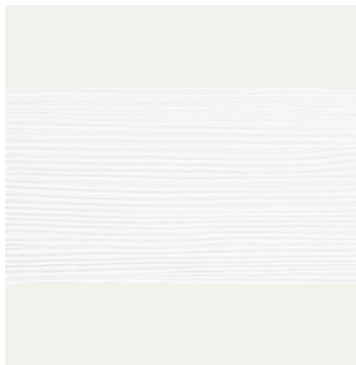

Finish family: wood-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

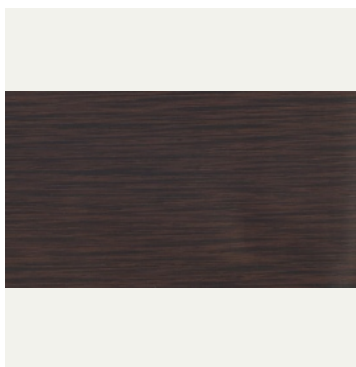

Wood-effect surface films / 3 of 3

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-001-006 / Wood-effect film / finish 06**

Finish family: wood-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-001-007 / Wood-effect film / finish 07**

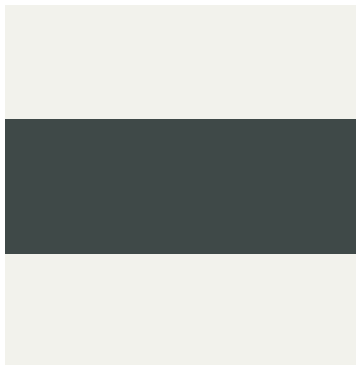

Finish family: wood-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

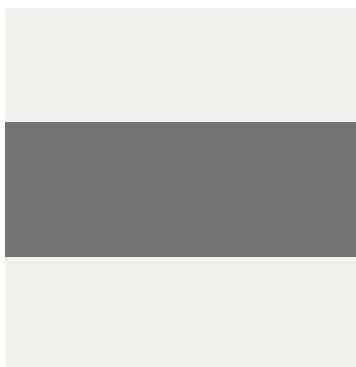

Solid-colour surface films / 1 of 2

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-002-001 / Solid-colour film / finish 01**

Finish family: solid-colour; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-002-002 / Solid-colour film / finish 02**

Finish family: solid-colour; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-002-003 / Solid-colour film / finish 03**

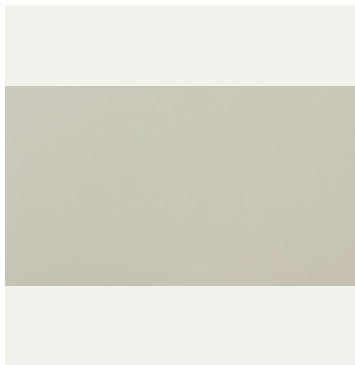

Finish family: solid-colour; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

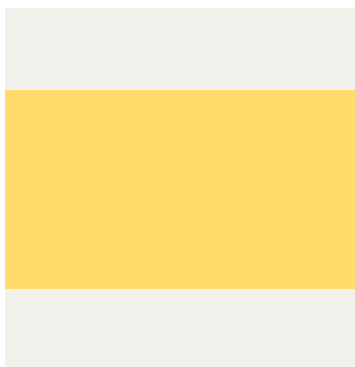

Solid-colour surface films / 2 of 2

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-002-004 / Solid-colour film / finish 04**

Finish family: solid-colour; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-002-005 / Solid-colour film / finish 05**

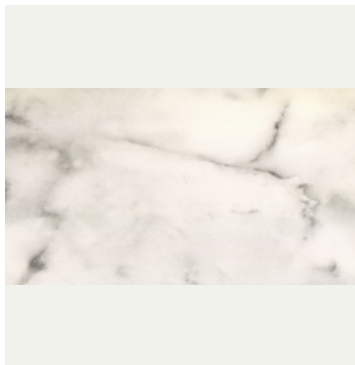

Finish family: solid-colour; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

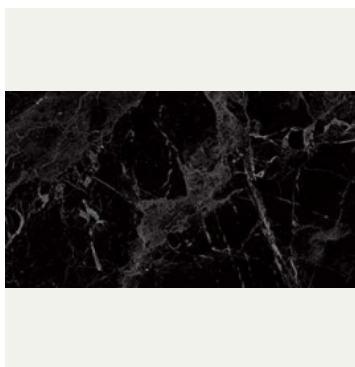

Marble-effect surface films / 1 of 2

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-003-001 / Marble-effect film / finish 01**

Finish family: marble-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-003-002 / Marble-effect film / finish 02**

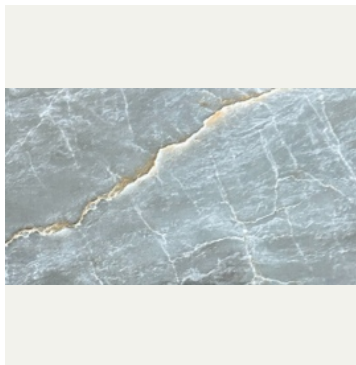

Finish family: marble-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

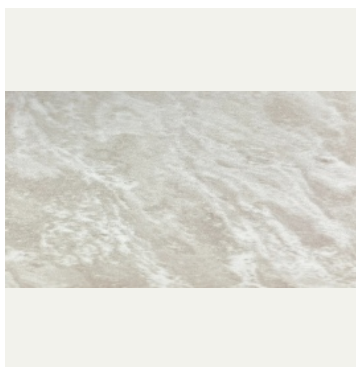

Marble-effect surface films / 2 of 2

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-003-003 / Marble-effect film / finish 03**

Finish family: marble-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-003-004 / Marble-effect film / finish 04**

Finish family: marble-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

Brushed metallic-effect films

Decorative surface films for selected furniture and interior surfaces. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-004-001 / Brushed metallic-effect film / finish 01**

Finish family: brushed metallic-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-004-002 / Brushed metallic-effect film / finish 02**

Finish family: brushed metallic-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-004-003 / Brushed metallic-effect film / finish 03**

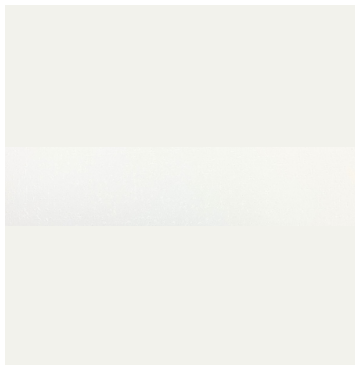

Finish family: brushed metallic-effect; Application: selected furniture and interior surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

DECORATIVE SURFACE FILMS

Textured wall-finish films

Decorative film finishes for wall-surface projects. Compare the actual swatch pattern, then confirm the sample, substrate, application method and final roll specification for the project.

**VG-SF-005-001 / Textured wall-finish film / finish 01**

Finish family: textured wall-finish; Application: wall surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-005-002 / Textured wall-finish film / finish 02**

Finish family: textured wall-finish; Application: wall surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

**VG-SF-005-003 / Textured wall-finish film / finish 03**

Finish family: textured wall-finish; Application: wall surfaces; Roll width, length, thickness and substrate compatibility confirmed for the selected finish.

Order unit: 1 selected finish; roll size and order quantity confirmed at quotation

YOUR FURNITURE & INTERIORS SELECTION

Furnish each space with a clear purpose.

Bring together seating, tables, storage and guest-room furniture around a coherent interior brief.

Spaces & quantities

Floor plans, room types, seating capacities, product references, dimensions and quantities.

Finishes & comfort

Wood and metal finishes, upholstery, colours and intended use. Confirm each pictured project component separately.

Destination & programme

Delivery destination, target date, access constraints and any phased furnishing requirements.

Options, customisation and commercial terms are confirmed for your selected products and project.
