YOUR FLOORING & RUGS SELECTION

Define the character of every space.

Connect the flooring construction, pattern and colour direction with the practical needs of each area.

Areas & dimensions

Room plans, measured areas, rug sizes, corridors, pattern direction and required quantities.

Construction & appearance

Fibre, construction, colour, pattern, backing and underlay. Confirm samples and technical suitability by selection.

Destination & programme

Delivery destination, target date and installation requirements. Pattern references do not establish construction.

Options, customisation and commercial terms are confirmed for your selected products and project.
