VIVID GROUP

COMPANY CAPABILITY PROFILE

Product collections. Development. International supply.

Based in Istanbul, Vivid Group develops product collections and coordinates international supply through Vivid Hospitality and Trade, Resources & Industrial Solutions.

OUR PRODUCT SCOPE

Vivid Hospitality

Textiles and bedding; guest amenities and hygiene supplies; furniture and carpets; kitchen and café equipment; tableware; food, beverages and service technology.

Trade, Resources & Industrial Solutions

Agriculture and fertilizer; commodities and natural resources; energy; raw materials, machinery and industrial requirements. Product fit, availability and supply terms are reviewed for each enquiry.

Customization and private label

Branding, packaging, materials and finishes are reviewed where the selected range supports them. Samples, documentation, minimum quantities and commercial terms are confirmed per enquiry.

HOW TO WORK WITH VIVID

01 Share your brief

Choose products or describe an unlisted request. Add estimated quantities, specifications and destination.

02 Review details and samples

We review product fit, specifications and available samples or documentation before quotation.

03 Agree the quotation

Confirm specifications, quantity, price, payment, delivery basis and timing in the quotation and order confirmation.

04 Delivery and follow-up

Delivery and documents follow the agreed order. Any discrepancy is reviewed against that agreement.
