ORGANIC COLLECTION*

Organic care products

Guest bath / Body oils

Illustrative family styling

LG-099 / Organic range*

Coconut & mint body wash

A body wash with peppermint, coconut oil and aloe vera in the documented formula. Choose it for a mint-led bathroom scent direction.

FORMAT 400 ml

HOTEL USE Guest bathroom / spa changing room

GUEST BATH

LG-100 / Organic range*

Grapefruit & lime body wash

A body wash with aloe vera and a citrus profile of grapefruit, lime and sweet orange. A citrus alternative to the coconut-and-mint wash.

FORMAT 400 ml

HOTEL USE Guest bathroom / spa changing room

GUEST BATH

LG-101 / Organic range*

Rosemary & patchouli shampoo

A shampoo with rosemary and patchouli scent notes and keratin in its product identity. Pair with the conditioner for a coordinated bathroom hair-care offer.

FORMAT 400 ml

HOTEL USE Guest bathroom / spa changing room

GUEST BATH

LG-102 / Organic range*

Keratin conditioner

A rinse-off keratin conditioner. It follows shampoo in the hair-care routine and provides a separate conditioning step rather than a two-in-one wash.

FORMAT 250 ml

HOTEL USE Guest bathroom / spa changing room

GUEST BATH

LG-103 / Organic range*

Frankincense & vetiver body lotion

A body moisturizer with frankincense and vetiver scent notes. Completes the bathroom collection with a leave-on care step after washing.

FORMAT 200 ml

HOTEL USE Guest bathroom / spa changing room

GUEST BATH

LG-104 / Organic range*

Coconut base oil

A coconut-based massage oil. Its base-oil positioning offers an alternative to the more aromatic body-oil blends.

FORMAT 400 ml; 1 L historical; bulk by enquiry

HOTEL USE Therapist-led massage / spa retail

BODY OILS

*Supplier-described organic status. Final packaging and commercial terms follow the selected programme.

ORGANIC COLLECTION*

Massage oils

Body oils

Illustrative family styling

LG-105 / Organic range*

Rose geranium body oil

A body oil featuring rose geranium. A floral scent direction for therapist-selected massage and spa retail.

FORMAT 100 / 400 ml; 1 L historical

HOTEL USE Therapist-led massage / spa retail

BODY OILS

LG-106 / Organic range*

Lavender & vetiver body oil

A body-oil blend with patchouli, rosemary, lavender and vetiver. A herbal and woody scent direction for a massage programme.

FORMAT 100 / 400 ml; 1 L historical

HOTEL USE Therapist-led massage / spa retail

BODY OILS

LG-107 / Organic range*

Coconut & mint body oil

A coconut-and-peppermint body oil. Carries the mint direction from the wash collection into an optional massage and retail selection.

FORMAT 100 / 400 ml; 1 L historical

HOTEL USE Therapist-led massage / spa retail

BODY OILS

LG-108 / Organic range*

Mint & eucalyptus body oil

A body oil with mint, camphor and eucalyptus. A clearly aromatic alternative within the massage-oil collection.

FORMAT 100 / 400 ml; 1 L historical

HOTEL USE Therapist-led massage / spa retail

BODY OILS

LG-109 / Organic range*

Frankincense & vetiver body oil

A frankincense-and-vetiver body oil. Offers a scent connection with the body lotion for a coordinated room-to-spa collection.

FORMAT 100 / 400 ml; 1 L historical

HOTEL USE Therapist-led massage / spa retail

BODY OILS

LG-110 / Organic range*

Citrus & herb body oil

A citrus-and-herb body-oil blend. Compare its scent profile with the floral, mint and woody alternatives during the sample review.

FORMAT 100 / 400 ml; 1 L historical

HOTEL USE Therapist-led massage / spa retail

BODY OILS

*Supplier-described organic status. Final packaging and commercial terms follow the selected programme.

ORGANIC COLLECTION*

Organic care products

Body oils / Body treatments

Illustrative family styling

LG-111 / Organic range*

Citrus & spice body oil

A citrus-and-spice body oil. The selection focuses on its aromatic character; no detoxification benefit is offered.

FORMAT 100 / 400 ml; 1 L historical

HOTEL USE Therapist-led massage / spa retail

BODY OILS

LG-138 / Organic range*

Aromatic body balm

An aromatic body balm offered in retail and professional sizes. Its balm texture distinguishes it from massage oils and lotions.

FORMAT 15 ml / pro. 100 ml

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-139 / Organic range*

Aromatic body lotion

An aromatic body lotion in a 100 ml format. A therapist-assessed body-care option alongside the balm, with final instructions to confirm.

FORMAT 100 ml

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-140 / Organic range*

Hamam body mask

A professional body mask listed for a hamam programme. The historical range gives a 1 L format; full formula and treatment instructions are still needed.

FORMAT 1 L

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-141 / Organic range*

Shea butter body mask

A shea-butter body mask listed in a 1 L professional format. A distinct body-mask direction to compare with the hamam option.

FORMAT 1 L

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-142 / Organic range*

Cooling body wrap

A cooling-range body wrap listed in a 1 kg professional format. Confirm the formula and service protocol; no sun-protection claim is made.

HOTEL USE Professional spa body programme

BODY TREATMENTS

*Supplier-described organic status. Final packaging and commercial terms follow the selected programme.

ORGANIC COLLECTION*

Scrubs, masks, wraps & clays

Body treatments

Illustrative family styling

LG-143 / Organic range*

Botanical body wrap

A botanical-range body wrap listed in a 1 kg professional format. Full composition and instructions are needed before defining the treatment.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-144 / Organic range*

Body scrub - invigorating range

A body scrub from the invigorating range, listed in a 1 kg format. Texture, exfoliating ingredients and scent need sample confirmation.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-145 / Organic range*

Coconut & mint body scrub

A coconut-and-mint body scrub listed in a 1 kg format. Links the mint scent direction across wash, massage and exfoliation selections.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-146 / Organic range*

Green tea body scrub

A green-tea body scrub listed in a 1 kg format. A botanical theme within the professional exfoliation range; exact composition remains to confirm.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-147 / Organic range*

Sea salt & mineral body scrub

A sea-salt-and-mineral body scrub listed in a 1 kg format. A salt-led alternative to the botanical scrub selections.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-148 / Organic range*

Lavender & sea salt body scrub

A lavender-seed-and-sea-salt scrub listed in a 1 kg format. Combines a floral ingredient direction with the salt scrub format.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

*Supplier-described organic status. Final packaging and commercial terms follow the selected programme.

ORGANIC COLLECTION*

Organic care products

Body treatments / Cleanse & tone

Illustrative family styling

LG-149 / Organic range*

Body scrub - radiance range

A body scrub from the radiance range, listed in a 1 kg format. Its formula is not sufficiently detailed to distinguish texture or actives without samples.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-150 / Organic range*

Body scrub - botanical range

A body scrub from the botanical range, listed in a 1 kg format. Detailed composition and approved claims remain open; no detoxification promise is made.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-151 / Organic range*

White kaolin clay

White kaolin clay listed in a 1 kg format. A professional mixing material, distinct from a ready-made body or facial mask.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-152 / Organic range*

Red clay

Red clay listed in a 1 kg format. A separate mineral material for a therapist-designed programme with agreed preparation instructions.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-153 / Organic range*

Green mineral clay

Green mineral clay identified as montmorillonite/bentonite, listed in a 1 kg format. Confirm the exact blend and preparation protocol.

FORMAT 1 kg

HOTEL USE Professional spa body programme

BODY TREATMENTS

LG-112 / Organic range*

Floral & herbal facial toner

A facial toner featuring floral and herbal essential oils. A liquid step to follow the chosen cleanser in a therapist-designed routine.

FORMAT 200 ml / pro. 400 ml

HOTEL USE Spa facial routine / skincare retail

CLEANSE & TONE

*Supplier-described organic status. Final packaging and commercial terms follow the selected programme.

ORGANIC COLLECTION*

Cleansers, toners & exfoliation

Cleanse & tone

Illustrative family styling

LG-113 / Organic range*

Tea tree & citrus facial toner

A tea-tree-and-citrus toner positioned for an oilier-skin programme. Pair by formula suitability with the balancing foam cleanser.

FORMAT 200 ml / pro. 400 ml

HOTEL USE Spa facial routine / skincare retail

CLEANSE & TONE

LG-114 / Organic range*

Jasmine & red-algae facial toner

A toner featuring jasmine and red-algae ingredients. Gives the facial collection a distinct floral and marine ingredient direction.

FORMAT 200 ml / pro. 400 ml

HOTEL USE Spa facial routine / skincare retail

CLEANSE & TONE

LG-115 / Organic range*

Cleansing milk

A milk-texture cleanser positioned for dry-skin routines. An alternative to foaming cleansers when selecting the opening facial step.

FORMAT 200 ml / pro. 400 ml

HOTEL USE Spa facial routine / skincare retail

CLEANSE & TONE

LG-116 / Organic range*

Citrus foam cleanser

A foaming facial cleanser with a citrus ingredient profile. A wash-format alternative to cleansing milk.

FORMAT 150 ml

HOTEL USE Spa facial routine / skincare retail

CLEANSE & TONE

LG-117 / Organic range*

Tea tree & lime foam cleanser

A tea-tree-and-lime foam cleanser positioned for an oilier-skin routine. Compare with the matching toner during therapist assessment.

FORMAT 150 ml

HOTEL USE Spa facial routine / skincare retail

CLEANSE & TONE

LG-118 / Organic range*

Fine mineral facial exfoliant

A mechanical facial exfoliant with fine mineral particles. A distinct treatment step from cleansing, with use frequency and technique set by the approved instructions.

FORMAT 100 ml / pro. 400 ml

HOTEL USE Spa facial routine / skincare retail

CLEANSE & TONE

*Supplier-described organic status. Final packaging and commercial terms follow the selected programme.

ORGANIC COLLECTION*

Serums & facial oils

Serums & facial oils

Illustrative family styling

LG-120 / Organic range*

Moisturizing facial serum

A serum with rose geranium and hyaluronic acid in the documented ingredient profile. A serum-format option within the moisturizing routine.

FORMAT 50 ml / pro. 250 ml

HOTEL USE Therapist-selected facial / spa retail

SERUMS & FACIAL OILS

LG-121 / Organic range*

Blemish-care facial serum

A targeted facial serum featuring aromatic oils and quince extract. Intended for therapist assessment in a blemish-prone skincare programme.

FORMAT 20 ml / pro. 50 ml

HOTEL USE Therapist-selected facial / spa retail

SERUMS & FACIAL OILS

LG-122 / Organic range*

Balancing facial serum

A balancing facial serum with tea tree, eucalyptus, citrus oils and quince extract. A different formula direction from the moisturizing serum.

FORMAT 50 ml / pro. 250 ml

HOTEL USE Therapist-selected facial / spa retail

SERUMS & FACIAL OILS

LG-123 / Organic range*

Ceramide facial serum

A facial serum with ceramide and hyaluronic acid, plus jasmine in the scent profile. Offered in separate retail and professional formats.

FORMAT 30 ml / pro. 100 ml

HOTEL USE Therapist-selected facial / spa retail

SERUMS & FACIAL OILS

LG-124 / Organic range*

Vitamin C & hyaluronic serum

A vitamin C and hyaluronic acid serum with botanical oils in the source description. The 30 ml retail format is documented; the professional size remains unresolved.

FORMAT 30 ml; pro. size on hold

HOTEL USE Therapist-selected facial / spa retail
